All: Attached is a copy of the notice which was published today. Comments must be submitted no later than 30 days after the publication date (May 26). The earliest we could move to enter, assuming we receive no comments, would be May 27. As of now, we have a scheduling conference scheduled before Magistrate Judge Mix on June 21. Assuming we do not receive any comments causing us to reconsider the settlement, I expect to file a motion to enter the decree well before June 21 and will move to vacate the scheduling conference.
